Pexip Professional Services

Direct Support Professional Services Onboarding

Direct Support on the Service enables large enterprises to contact Pexip directly to raise level 3 support tickets.

For customers migrating from third-party video conferencing infrastructure, Pexip Professional Services offers a direct onboarding service.

By using Pexip Professional Services, you can migrate to the Pexip Service reliably, quickly and cost effectively. Pexip will ensure the successful migration, through the use of its highly trained and experienced technical experts.

Benefits

Quality – Every installation and migration is performed to exacting quality standards
