Pexip Professional Services

One-Touch Join additional 3 configurations

Pexip One-Touch Join allows any individual and any meeting room to instantly join any meeting with a single touch. Whether you are using Pexip, Microsoft Teams, Skype for Business, Google Meet, Cisco Webex Teams, BlueJeans or Zoom you can join instantly from any device*.

Join with a single touch!

With Pexip Professional Services, you can expand the reach of the One-Touch Join feature reliably, quickly and cost effectively. Having installed the basic One-Touch Join feature, using Pexip Infinity software in your own data center, Pexip will additionally perform a further three configurations.

A Pexip Professional Services Engineer will oversee the entire process for you.

BlueJeans

Benefits

Quality – Every installation is performed to exacting quality standards

Speed – Optimized delivery and deployment process

Value – A fixed-price, fixed-deliverables service

This service includes:

Additional three configurations of One-Touch Join with Pexip Infinity

Choose from:

- Additional meeting types; such as Pexip, Microsoft Teams, Skype for Business, Google Meet, Cisco Webex Teams, BlueJeans, Zoom or GoToMeeting
- Additional calendar integrations (useful in complex organizations or after mergers and acquisitions)
- Additional conferencing nodes (for scale and redundancy)

Quality Assurance – system testing against a standard test plan
