Pexip Professional Services

One-Touch Join Installation for Infinity

Pexip One-Touch Join allows any individual and any meeting room to instantly join any meeting with a single touch. Whether you are using Pexip, Microsoft Teams, Skype for Business, Google Meet, Cisco Webex, BlueJeans or Zoom you can join instantly from any device*.

Join with a single touch!

With Pexip Professional Services, you can enable the One-Touch Join functionality reliably, quickly and cost effectively. Pexip will ensure the successful installation and integration with your video conferencing systems and calendar through the use of its highly-trained and experienced technical experts. A Pexip Professional Services Engineer will oversee the entire process for you.

A Pexip Professional Services Engineer will oversee the entire process for you.
